INTERMENT OF CREMATED DOMESTIC PETS

Cremated domestic pets can be interred at all Forest Lawn Group cemeteries.

With the passage of New York State's Pet Burial Law in 2016, The Forest Lawn Group of Cemeteries has updated our Rules & Regulations, enabling our lot owners to inter their beloved cremated domestic pets in all of our cemeteries.

We are pleased to be able to take this important step, which will allow us to better meet the emotional needs of the many families and individuals who have a strong bond with their pets.

All fees for pet burials will be directed to the cemetery's permanent maintenance fund—helping us to keep our promise of perpetual care made to all those interred here.

Under this law, all fees associated with the burial of cremated domestic pets must be deposited into a "permanent maintenance fund." Therefore, any revenue derived from pet burials will go directly to the maintenance of the cemetery, which helps us to keep our solemn promise to provide the finest in perpetual care to all those who rest within our gates.

Because pet interments follow the same protocols as those for the burial of cremated human remains, the service fees are comparable.

All interments are conducted with respect and dignity, and because the labor necessary to conduct a respectful and dignified interment service, to record the burial and vital statistics of the late domestic pet is the same — regardless if the interment is a deceased human or pet — our service fees for interment of cremated domestic pets are the same as the service fees for burial of cremated human remains.

CREMATED DOMESTIC PET INTERMENT FEE SCHEDULE

A permanent non-sealing outer burial container (unless the interment is the final interment) is required for the interment of the cremated domestic pet in the ground. The Interment or Inurnment Service includes the opening and closing of the grave or crypt, four folding chairs, artificial grass matting around the opening and over the mound of displaced earth of the grave, and may include a 15 minute committal service by the Forest Lawn

Group Chaplain if requested. Escort available via Delaware entrance, Forest Lawn; Camp Rd. entrance, Lakeside; Clinton St. entrance, St. Matthew's; or Main St. entrance, Williamsville.
