Forest Lawn has a dedicated grounds crew and seeks to supplement our employed grounds crew with independent vendors to provide cemetery lawn care and landscape maintenance.

We are widely recognized for the great condition of our cemetery grounds and seek vendor partners who are committed to maintaining our well cared for landscapes. **Specialized care of cemeteries requires the ability to mow and trim between memorials, markers and in the presence of our lot holders and family members.**

Vendors may elect to bid on any, or all of the services contained in this RFQ for Forest Lawn's 13 cemeteries.

In the interest of budget management, we are seeking quotations for a period of **two years** for lawn care (grass cutting, trimming and landscape maintenance) at our cemeteries.

Of note, lawn work at Forest Lawn Cemetery in Buffalo, NY is supplemental to the organization's full time grounds crew and thus should be quoted on an **hourly basis**. Work at all other cemeteries is work that will be performed exclusively by the vendor and **should be bid at a per mow basis**, (vendor should assume an average of 3 mows per month from April-October as well as Spring and Fall cleanups of the cemetery grounds for each of the cemeteries included in this RFQ).

QUOTATION FOR LAWN SERVICES (2 Year Bid January 1, 2027- December 31, 2028)

See attached sheet for approximate maintained acres for each of the cemeteries included in this RFQ and respond/bid using the Quotation Sheet. Please note Forest Lawn Cemetery, Buffalo NY should be bid on an hourly basis, all other cemetery properties should be bid on a per mow basis. "Per Mow" for each of the cemetery properties in the RFQ must be completed in no more than 2 consecutive days. Spring and Fall cleanups at cemetery properties will be treated as a "per mow" billing.
